The Role of the Parish Secretary in the Liturgical Life of the Parish

January 30, 2019: 1:00pm ET
presented by Michael Ruzicki

While the liturgy is at the center of the parish life, the parish secretary is often at the center of its administrative responsibilities. In the *Joy of the Gospel*, Pope Francis states that mere administration is not enough and that we must always be in a state of mission. Because of this, parish secretaries need to understand the importance of and embody hospitality and the art of accompaniment. This workshop will address the sacramental and liturgical moments in which the parish secretary encounters the people. Participants will evaluate their parish bulletin, webpage, and social media accounts as well as explore maximizing the effectiveness of phone calls and emails.
