

News from Mater Dei Youth Ministry

As part of their monthly Corporal Works of Mercy Projects, the Mater Dei Youth Ministry made pints of Homemade applesauce which will be sold at St. Mary's next weekend.

This Project is related to the Corporal Works of Mercy, "Shelter the Homeless", as all proceeds from this project will be given to Fr. Lance Harlow to benefit his work with the children at the Kurn Hattin Home for Children in Westminister, VT.

Personal messages of encouragement from our youth will accompany the donation as part of Fr. Lance's St Nicholas project to bring the joy of Christmas to the children at Kurn Hattin Home.

This donation and messages from our Youth Ministry will be presented to Fr. Harlow at the Healing Mass on October 25, 2018 at 6PM at St Mary's.

Please support Our Youth Ministry with this special project, by purchasing Homemade Applesauce, you will also help a child at the Kurn Hattin Home. Thank You!
