Welcome Back

We would like to welcome everyone back to the new school year. It's hard to believe that we just finished our 3rd week of school. The students are getting used to their new routines. Keep up the great work.

PAKET Day

Friday, September 14th, is the first PAKET Day. This is a day where **Parents And Kids Eat Together**. We ask that if you are unable to make it to a PAKET day, please make arrangements for someone to be here with your child. You can have any family or friends join your child for lunch. You may bring from home, fast food places or a school lunch with your child. If you decide to have school lunch with

your child you must purchase that lunch for \$3.75. Please be to the school by 12:00pm.

Virtus Training

Please remember that you must have Virtus Training to participate in the classroom, help during lunch, recess, and field trips. If you were unable to attend last night's Virtus training, they do offer training at other places. Please contact Kristina in the school office, she can help you get registered.

Lunch and recess help

We are still in need of some help. If you or a family member would be willing to help out during lunch or recess please have them contact Kristina in the School Office at 507-373-9657. Recess is from 12:30pm-1:00pm, we need help on Tuesdays and Thursdays. Lunch help is needed from 11:30am-1:00pm, we need help on Mondays, Tuesdays, Thursdays, and Fridays.

Trivia Questions

Every month in one of the weekly newsletters you will find a hidden trivia question. If you find that question write the answer down and send it to school the following Monday. Every student that turns in an answer will be put in a drawing for a non-uniform day. The answer must be given to their classroom teacher when attendance is taken. So keep your eyes peeled and have fun!

In the News: Feature Student

Starting next week we will feature 2 student in each newsletter. The students will be randomly drawn to pick who will be in the newsletter. We will have questions for the students to answer. We will send

these home at the beginning of the week so parents can help get it filled out. This will be a fun way for us to get to know our students a little better. Let's have fun with this.

Have a great weekend!
