Humanae Vitae Talking Circuit

In commemoration of the 50th anniversary of Pope Paul VI's last encyclical, *Humanae Vitae*, this talking circuit aims to revisit this important catechesis by looking at the philosophical, theological, scientific, and medical proofs evident within and discuss why this is so relevant in today's culture. Led by Jamin Herold and Dcn. Don Bouchard, DO, time will be provided at the end for a question and answer session.

Each of our five deanery's will be hosting this circuit:

July 10 – **Western Deanery** – Rose Center, St. Joseph Parish, St. Joseph

WHAT'S ON THE OTHER SIDE?

A Sick Man Turned to His Doctor as He Was Preparing to Leave The Examination Room and Said, "Doctor, I Am Afraid to DIE. Tell Me What Lies on The Other Side." Very Quietly, The Doctor Said, "I Don't Know." You don't know? You, A Christian Man, Doesn't Know What's on The Other Side?" The Doctor Was Holding The Handle of The Door; On The Other Side of Which Came a Sound of Scratching and Whining, and As He Opened The Door, a Dog Sprang Into The Room and Leaped on Him With an Eager Show of Gladness. Turning to The Patient, The Doctor Said, "Did You Notice My Dog? He's Never Been in This Room Before. He Didn't Know What Was Inside. He Knew Nothing Except That His Master Was Here, and When The Door Opened, He Sprang in Without Fear. I Know Little of What is on The Other Side of Death, but I Do Know One Thing... I know My Master is There and That is Enough."

Thank you God, not only for the blessings, but for the frustrations which have helped me become a better person. Amen
