

ST. ANDREW THE APOSTLE CATHOLIC SCHOOL

Faith · Family · Education

December 16, 2015

Dear St. Andrew families,

As part of our ongoing Business Executive Summary for Transformation – or B.E.S.T Plan communication – I wanted to take this time to share with you a copy of the plan, and, as always, solicit any input you may have. To date, the School Advisory Council has finalized the B.E.S.T. Plan, which includes: 1) Vision, Value and Mission; 2) Strategic Objective, Goals and Activities; and 3) Cultural and Norms. Since last month's communication, several parents have stepped up and volunteered to be part of our initiative. For this, I am truly grateful.

As we enter into the joy of this Christmas season, I am also very grateful for the ongoing commitment of so many of our St. Andrew the Apostle family members. Your contributions and support emulate the true giving of the Blessed season. Your God-given talents, applied as part of a committed and loving community, have produced a plan and a set of goals that will reinforce our foundation, which will allow St. Andrew the Apostle School to give the gift of a Catholic education to future generations to come.

I encourage you to review the plan located at the link below and continue to pray and offer your support in doing God's will for the good of our parish. Please rest assured that you all remain in my ongoing prayers. I would also ask that you keep me in your prayers and those entrusted to running and enhancing our school. If you have any questions, or are so inclined to offer any additional support, please feel free to contact one of our advisory council members, Mrs. Lifka and/or myself. Together, as a loving family of God, we can make a difference in our community and our parish as a whole.
