CATHOLIC SOCIAL TEACHING CORNER

This Sunday the Scripture readings give us the image of growth and development. Many people can be an important influence in our personal growth and development, particularly our faith. Who was it that cooperated with God is planting the seeds of faith in your life? How are you nurturing them? What are the fruits of that faith? When we are deeply rooted in the life of God our Father, then we know we will bear the fruits of life, charity, compassion, mercy and forgiveness. The love of God will grow in us to help us to reach out to the unloved and forgotten, to the poor and dispossessed and to those whom God shows special care – the poor and vulnerable.

1 cup warm water
2 tablespoons white sugar
2 teaspoons yeast
1/4 cup vegetable oil
2.5 – 3.5 cups flour (start with 2.5 cups and add more as needed)
1 teaspoon salt

In the bowl of your stand mixer or bread machine, add the water, sugar and yeast and let sit for 10 minutes. Add the rest of the ingredients and mix until a nice ball forms. The dough should feel elastic, but not dry. Add more flour if dough is sticky.

Let dough rise in a warm place until double, about 1.5 hours. Shape into a smooth log and place in a greased bread pan. Let rise again, about 20 minutes. I usually let it go until it looks the right size for a loaf of bread. Bake at 350 for about 30 minutes, until bread is dark golden and sounds hollow when tapped.
