Being an Official is rewarding in many ways. They are paid positions and your actions ensure good game order and fair play is practiced at all time. For a few years now, we have implemented two soccer fields. Our primary field for 5<sup>th</sup> through High School goes long-way and has been in place for years. Our 2<sup>nd</sup> field goes perpendicular to the long field and is used for grades 1-3 and has been a HUGE success and allows younger officials to officiate on our fields. We consistently have over 100 games on our fields so there are plenty of opportunities to officiate games at grades 1 through High School.

Our intramural program (PK-K) does not require officials. Also, soccer does not require timekeepers and scorekeepers. Each Official performs that function.

Persons interested in being a Soccer Official for South County CYC Soccer (Grades 1-HS) for St. Simon must complete these 5 items:

1. Must be at least age 13 years of age by Sept 1<sup>st</sup>, 2018
2. Must take an on-line Official's Test and score 80% or better.

**The Official's Test MUST be taken on-line NO LATER THAN Wednesday, July 21, 2018.**

You can study the rulebooks and then take the test on-line all by yourself.

The rulebooks are at <http://www.cycstlscnty.net> Choose Soccer, then Soccer officials.

The online test is also on that page, otherwise, you can click [here](#) to go to the direct link.

If you want assistance with the test, then feel free to attend an OPTIONAL session where several St. Simon officials (new and experienced) go over each question on paper. Then, you can take that paper home and complete the test on-line. The sessions will occur under the St. Simon Back Lot Pavilion.

Thursday, June 21st: 630pm-730pm

Thursday, July 6<sup>th</sup>: 630pm-730pm

3. Attend an Official's Clinic held by South County CYC Reps including Don Bowe (South County Head Ref). There will be four available clinics spread out over a three week period in July 2018. Dates and times for the clinics will be posted to the South County website at <http://www.cycstlscnty.net> Choose Soccer, then Soccer officials. One clinic will be at St. Simon on Saturday, July 21 in the Lower Church Hall at 900am.
4. Purchase official's insurance for \$5.00. You will learn more about this at the Clinics.
5. Become compliant with the Archdiocesan Safe Environment Policies.
  - For those under 18, this is merely signing an Archdiocese of St. Louis of Ethical Conduct for Minors Form that will be provided to you at a later date.
