Dear Brothers and Sisters,  
I wanted to run this again because so many were missing from Mass last week.

Last weekend, a member of our Pastoral Council and Finance Committee spoke to us at all the Masses in regard to our parking lots and their invaluable importance not only to our parish and school, but the larger community as well. I ask that we be patient and not jump to conclusions during this period of exploration, and to let our parish leaders uncover all the possibilities and scenarios that will be most beneficial to St. Christopher. We are sitting on a valuable chunk of real estate and will figure out how to best utilize our blessings. As you can see, the importance of parish committees and councils is a wonderful resource to the parish pastor.

God's Peace,  
Fr. David
