FROM THE
PASTOR'S DESK

Dear Brothers and Sisters,

In a grand effort for a liturgical renewal for our parish of St. Christopher, my staff and I have been busy addressing some needed changes with all the “ins and outs” of Masses and liturgical life that goes on here. You’ve already been hearing announcements about Server training, Usher training and the like. We do not approach these changes blindly nor haphazardly, but with the support and approval of our groups and committees. Change for some can be difficult, but is sometimes needed for vitality and life in a parish. We should always be aware of the direction our Church and faith are moving under the leadership of Pope Francis. As we come to the end of our church year, let us cherish the things that made St. Christopher the joyful and prayerful parish that it is, and look ahead to the miraculous entity of what it can become.

God’s Peace,
Fr. David

How often do we put all our time and energy into building a kingdom here on earth, forgetting that life here is short? The real kingdom is in the next life.
