## **New Business**

Pete Labita brought up the bulletin and updating the mission statement. Homework for next meeting- what you want changed or upgraded. A vision statement – what do we want to look at for the future of Christ the King.

Victor Rodriguez suggested how the food is part of bridging the gap between English and Spanish speaking parishioners. Joining cultures via food. Sharing personal stories. Maybe look at a potluck once a month or every six weeks. Have an opportunity to share. May also want to include the children in special projects.

Mark Meadows suggested to have a list of parishioners and the jobs in which they have experience. The older English speaking parishioners may need assistance. Parishioners could offer their skills to assist. Create a resource guide. SWAT analysis – the committee reviews how to bridge the communities together.

## **Closing Prayer**
