**Planting the Seeds of Good Stewardship  
in our Children**

Beginning the first weekend of October, Oct. 6 & 7, during the Offertory, the presider will stand in the middle of the aisle with a basket and invite all of our children to come with their offerings. Through this practice we want to teach our children how to be good stewards. At the same time, we want to teach our children that our monetary offering is only one way of being good stewards. All that we have comes from a loving God and in gratitude we acknowledge that by offering our time, treasure, and talents to serve God and his people.

**CHILDREN'S HOMILY** We are in need of a few volunteers to help with Children's Homily. This is a very rewarding ministry. All you need is a love for sharing the Word with our children. If you have been looking for something to be involved in, this is a great place to start. Please give prayerful consideration to helping. If you think God is calling you, please just say "Here I am Lord". You can call the church office 662-429-7851, or Allison Baskin at 901-409-1038 to volunteer or for more information.

### HOW DOES PARISH REGISTRATION HELP THE PARISH?

Many ways. First of all, who is part of this community; who helps to make it what it

Our Church Family

is; who can the parish staff count on to help with the many significant programs and events in the parish. Then, of course, it helps to know how many families are 'part of us'? How many children can we expect to enroll in the first communion class this year so we can be prepared? How many children can we expect to enroll in Confirmation preparation? What can we expect from Young Adults? Are we addressing the needs of young married couples? Who are they? Should we have a vacation bible school? Who has what talents available for helping with many jobs needed for parish maintenance? How can we make a realistic parish budget? Will we have enough or will we have to cut some things out? With a small parish staff, many helping hands are *needed*.

## OPENING SONG

### FAMILY IDEAS

*The opening song at Mass unites us as the People of God. Through the God-given gift of music, we give praise and glory to God. Songs help us express what we believe. Music touches our hearts and fills us with joy as we lift up our voices to God.*

- **Encourage your child** to sing with the parish community at Mass. It is fine to sing only the refrain of a song.
- **Invite children** to have joy in being children of God. In the car, play a music CD with catchy tunes about God's love, and sing along. Download a song you sing at Mass (You tube) to your phone and listen to it when you are together. Talk about what it means to you all.

### FAMILY PRAYER

**All Souls Triduum of Masses:** Please remember all your deceased loved ones in our annual triduum

**Loving God, we gather together at Mass to give you praise for your unending love for us. Teach our family to love others as you love each of us. May our words, our actions, and our songs at Mass give glory to you now and forever! Amen.**

### **FOR FIRST COMMUNION FAMILIES**

*Encourage your child to participate fully in the Mass by singing the songs and saying the prayers. We join our voices with others at Mass as the People of God. This helps us to celebrate the Eucharist in our minds and hearts.*

### **A CALL TO HOLINESS BY POPE FRANCIS.**

11. “Each in his or her own way” the Council says. We should not grow discouraged before examples of holiness that appear unattainable. There are some testimonies that may prove helpful and inspiring, but that we are not meant to copy, for that could even lead us astray from the one specific path that the Lord has in mind for us. The important thing is that each believer discern his or her own path, that they bring out the very best of themselves, the most personal gifts that God has placed in their hearts (cf. *1 Cor 12:7*), rather than hopelessly trying to imitate something not meant for them. We are all called to be witnesses, but there are many actual ways of bearing witness.<sup>[11]</sup> Indeed, when the great mystic, Saint John of the Cross, wrote his *Spiritual Canticle*, he preferred to avoid hard and fast rules for all. He explained that his verses were composed so that everyone could benefit from them “in his or her own way”.<sup>[12]</sup> For God’s life is communicated “to some in one way and to others in another”.<sup>[13]</sup>

12. Within these various forms, I would stress too that the “genius of woman” is seen in feminine

styles of holiness, which are an essential means of reflecting God’s holiness in this world. Indeed, in times when women tended to be most ignored or overlooked, the Holy Spirit raised up saints whose attractiveness produced new spiritual vigour and important reforms in the Church. We can mention Saint Hildegard of Bingen, Saint Bridget, Saint Catherine of Siena, Saint Teresa of Avila and Saint Thérèse of Lisieux. But I think too of all those unknown or forgotten women who, each in her own way, sustained and transformed families and communities by the power of their witness.

### **UN LLAMADO A LA SANTIDAD DEL PAPA FRANCISCO.**

11. «Cada uno por su camino», dice el Concilio. Entonces, no se trata de desalentarse cuando uno contempla modelos de santidad que le parecen inalcanzables. Hay testimonios que son útiles para estimularnos y motivarnos, pero no para que tratemos de copiarlos, porque eso hasta podría alejarnos del camino único y diferente que el Señor tiene para nosotros. Lo que interesa es que cada creyente discierna su propio camino y saque a la luz lo mejor de sí, aquello tan personal que Dios ha puesto en él (cf. *1 Co 12, 7*), y no que se desgaste intentando imitar algo que no ha sido pensado para él. Todos estamos llamados a ser testigos, pero «existen muchas formas existenciales de testimonio»<sup>[11]</sup>. De hecho, cuando el gran místico san Juan de la Cruz escribía su *Cántico Espiritual*, prefería evitar reglas fijas para todos y explicaba que sus versos estaban escritos para que cada uno los aproveche «según su modo»<sup>[12]</sup>. Porque la vida divina se comunica «a unos en una manera y a otros en otra»<sup>[13]</sup>.

12. Dentro de las formas variadas, quiero destacar que el «genio femenino» también se manifiesta en estilos femeninos de santidad, indispensables para

reflejar la santidad de Dios en este mundo. Precisamente, aun en épocas en que las mujeres fueron más relegadas, el Espíritu Santo suscitó santas cuya fascinación provocó nuevos dinamismos espirituales e importantes reformas en la Iglesia. Podemos mencionar a santa Hildegarda de Bingen, santa Brígida, santa Catalina de Siena,

santa Teresa de Ávila o santa Teresa de Lisieux. Pero me interesa recordar a tantas mujeres desconocidas u olvidadas quienes, cada una a su modo, han sostenido y transformado familias y comunidades con la potencia de su testimonio.
